

Emergency Moustache

Never know when you might need one

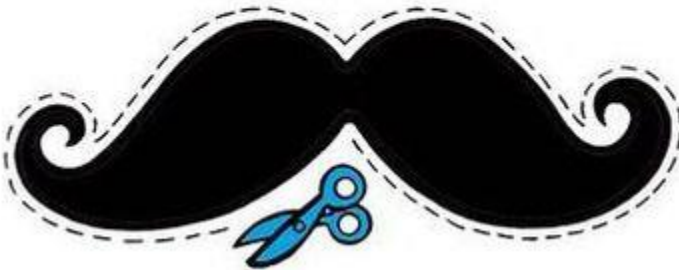

Emergency Moustache

Never know when you might need one

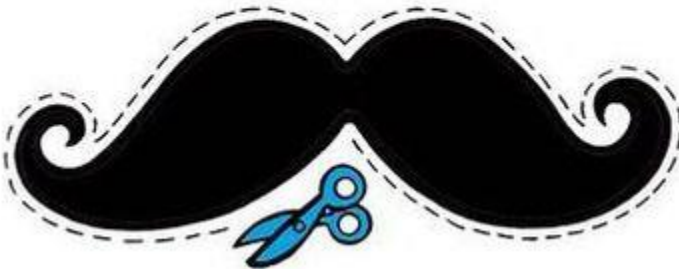

Emergency Moustache

Never know when you might need one

Emergency Moustache

Never know when you might need one

Instructions:

1. Cut out the mustache.
2. Tape to the end of a straw or a popsicle stick.
3. Hold it under your nose whenever you need an emergency mustache.

Credit for the mustache template goes to:
