

### Princess and the Pea Bed Instructions:

1. Print out and have your child color this princess page, then cut it out.
2. Cut 6-7 strips of scrapbook/construction paper/fabric that are 1" wide and the same length as the popsicle sticks.
3. Glue the three popsicle sticks onto the bottom of a sheet of construction paper (any color) so that they look like a bed frame.
4. Glue down the "pea" (green paper circle or green bead).
5. Glue down the strips of paper/fabric in any order over the "pea" and popsicle sticks.
6. Glue the princess at the very top. Your bed should look something like this:
